The Arizona State Tax Credit: Be a Hero for Kids!

Keep your hard-earned dollars here, and in the process, receive a dollar-for-dollar credit on your Arizona state income taxes! You can donate any amount to the Boys & Girls Clubs of the Colorado River – up to **\$400 if filing single or \$800 for joint filers**. When you file your Arizona taxes, you can claim a **dollar-for-dollar** Arizona Charitable Tax Credit that will either reduce your tax liability or increase your refund!

Your donation will help us provide homework assistance, art, STEM, leadership and sports programs. Our staff strives hard to mentor our members to create a strong community and prepare them for their journey beyond the Club.

Join us today in being a hero for kids. Complete the form below and return with your check or credit card information to the address above. Please make checks payable to Boys & Girls Clubs of the Colorado River (BGCCR).

If you need additional information, please contact
Kristin Williams, Development Administrator at (928) 763-1411 or by email at kristin@clubriver.org.
