## The Arizona State Tax Credit: Be a Hero for Kids!

Keep your hard-earned dollars in the county, and in the process, receive a dollar-for dollar credit on your Arizona state income taxes! You can donate any amount to the Boys & Girls Clubs of the Colorado River up to \$421 if filing single or \$841 for joint filing. When you file your Arizona taxes, you can claim a dollar-for-dollar Arizona Charitable Tax Credit that will either reduce your tax liability or increase your refund!

Your donation will help us to provide homework assistance, art, STEAM, leadership, and sports programs. Our staff strives hard to mentor our members, to create a strong community and prepare them for their journey beyond the Club.

Join us today in being a Hero for kids! Complete the form below and return your check or credit card information to the address above. Please make your check payable to Boys & Girls Clubs of the Colorado River (BGCCR).
